Pasatiempo Golf Club

Pasatiempo Golf Club is a semi-private golf club which makes certain tee times available to the general public. This unique combination allows it to be ranked #3 in Northern California next to Pebble Beach and Spyglass Hill and #11 by Golf Digest in its top courses you can play in the United States. Alan Shipnuck, senior writer for Sports Illustrated magazine said, "Let me just say that if you come to Northern California and don't play Pasatiempo you are making a grave mistake. It's a spectacular course with interesting varied terrain; wild greens; artful bunkering; endless shots; the ghost of MacKenzie; fun and very walkable. What's not to love?"

Find a fellow CSGA member for your partner and enjoy two great days in mid-October when the weather is the best it can be on the Northern California Coast.
